

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2008

This is to certify that:

Kaby Engineers Ltd
14-16 Upper Charnwood Street
Leicester
LE2 0AU
United Kingdom

Holds Certificate Number:

FM 12701

and operates a Quality Management System which complies with the requirements of ISO 9001:2008 for the following scope:

Please see scope page.

For and on behalf of BSI:

Frank Lee, EMEA Compliance & Risk Director

Original Registration Date: 24/06/1991

Latest Revision Date: 06/12/2016

Effective Date: 16/05/2016

Expiry Date: 14/09/2018

003

...making excellence a habit.™

Certificate No: FM 12701

Registered Scope:

Precision general machining and sheet metal work with lot traceability to customer's specification in ferrous or non-ferrous materials including assembly and fabrication of components. Production facilities include CNC turning, milling, boring, grinding and drilling. Production of pivot pins and shafts from 6mm to 160mm diameter up to 1.25 metres in length including induction hardening and centreless grinding laser cutting CNC punching and CNC folding, fabrication. GMA Welding and allied processes, pem centre also rumbling, shotblasting and drying, Cad cam design and grind mastering. The fabrication of levers and arm for use in construction machinery. The production of jigs and fixtures, tooling and prototypes. Capacity includes CNC jig boring, turning and machining for one off small batch production. Ancillary processes available include MIG, TIG and robotic welding, spray painting with phosphate etching and stoving and ultrasonic cleaning.
